

## Boarding Checklist

### What Bark n Park provides...

- 1) Raised cots
- 2) Stainless steel water bowls
- 3) Stainless steel food bowls

### What owners need to bring...

#### 1) **Food**

- Bring your own food to eliminate digestive issues. Refrigerators and freezers are available to accommodate a variety of diets.
- Store food in plastic containers, plastic bags or original food bags. Food CANNOT be stored in plastic or paper grocery bags.

#### 2) **Medications**

- Pack medications and supplements in pill bottles, pill organizers or plastic container. Medications and supplements CANNOT be packed along with food in plastic bags or individually in plastic bags.
- Provide a method of delivery along with the medications if needed. Ie. Pill pockets, peanut butter, cheese, etc.

#### 3) **Bedding**

- Bring any type of bedding. Please understand if bedding is not washable, it may be thrown away if your dog has an accident.

#### 4) **Toys**

- Load up any toys as long as your dog will not chew them up. Only our toys are available during group play.

#### 5) **Treats & Bones**

- Take along treats and bones, which are great during nap time. Please no rawhides for safety reasons.
